The Goths

The Goths were an East Germanic people, two of whose branches, the Visigoths and the Ostrogoths, played an important role in the fall of the Roman Empire and the emergence of Medieval Europe.

Mughal Empire

The Mughal Empire was an empire extending over large parts of the Indian subcontinent and ruled by a dynasty of Chaghtai Turkic origin. The reign of Shah Jahan, the fifth emperor, was the golden age of Mughal architecture. He erected several large monuments, the most famous of which is the Taj Mahal at Agra, as well as the Moti Masjid, Agra, the Red Fort, the Jama Masjid, Delhi, and the Lahore Fort. The last Mughal emperor was deposed by the British and exiled to Burma following the Indian Rebellion of 1857. End of Mughal dynasty.
