# What's in it for you?

- ✓ Free online education
- ✓ Interactive webinars
- ✓ Discussion forums
- ✓ Online activities linked to live events
- ✓ e-Learning courses and interactive case studies
- ✓ Educational videos from regional and international experts
- ✓ Recommended training activities in Endocrinology

## Online courses

Online learning has never been easier! Access e-Learning courses and activities linked to live meetings and receive your CME credits upon completion.

## Video content

We have developed short educational videos for you, with the help of regional and world experts. These will help you stay up to date with the most recent advances in the field of Diabetes, Endocrinology and Metabolism.

## Webinars

Join our interactive webinars and check your knowledge with additional post-webinar activities. You missed a Webinar? No problem. All recordings are available on the ISE Global Education Hub.

## CME Accredited Educational Materials

The ISE Global Education Hub has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME) for CME accreditation. Complete our trainings and claim your CME credits today!

*\*Credits can be converted to AMA PRA Category 1 Credits™*
