## My Saved News

### Undercover opens at Churchill War Rooms

 1st July 2016

From 20 July Undercover: Life in Churchill's Bunker will re-open at Churchill War Rooms after significant renovation work. The exhibition will include the addition of a number of new documents and historic objects – some of which have never been displayed before. Personal stories, historic images, objects and interviews with the men and...

### Enigma from the other side

 25th August 2016

The other side of the Enigma story is told in the brand new episode of the Bletchley Park Podcast, out now. Featuring an exclusive interview with a German Enigma operator, made public here for the first time, it tells the story of pioneering technology, the fiendish challenge of understanding it...

### The Heroine Project Presents

 31st August 2016

In 1915 aspiring journalist Dorothy Lawrence left London for northern France with ambitions to become the first female war correspondent. What happened next defied authority, convention – and challenges traditional depictions of women's role in World War One. Theatre company The Heroine Project Presents will create a lasting legacy for...
