**Corporate Development Executive
(Sponsorship)**

Every day...

we're here for people affected by Motor Neurone Disease (MND).

A diagnosis of MND brings home the preciousness of every day. So we do all we can to make every day count. We bring understanding and guidance. We deliver practical and financial support. We raise awareness and campaign for better care. We're not just here for now – as the UK's leading charity funder of MND research, we're striving for breakthroughs to develop new treatments and, ultimately, a cure.

MND moves fast. It takes away time, it takes away independence and it has no cure. Every piece of support, every research project, every pound raised, every kind word, and every day lived well...

matters.

Hello

Tanya Curry
Chief Executive

“We’re really pleased you’re interested in joining us and using your expertise, knowledge and time to make a difference to people affected by MND.

We are a charity with big ambitions and are committed to our vision of a world free from MND - we need a strong team to deliver that.

If you’re a great fit for this role, and us, we hope to meet you soon!”

Our vision
A world free
from MND.

Our mission
Everyone
with MND has
choice and
control today,
and a future
driven by
research and
innovation.

What is MND?

Today, six people

**will be told they have MND and six people
will die from the disease.**

**People with
MND may lose
their voice and
movement.**

**And ultimately, their
ability to breathe.**

**A third of people
will die within a
year of diagnosis.**

**More than half will
die within two years.**

**MND is a fatal
rapidly, progressing
disease.**

**It affects the brain
and spinal cord.**

**MND doesn't
discriminate.**

**It affects people from
all backgrounds and
at all ages.**

**There is no cure for MND.
Together we can change that.**

Our values

Four values guide everything we do, and the way we do it. From how we behave day-to-day, to strategic decisions about our priorities, our values shape it all.

We're one strong team.

We work together as one MND Association – a community of people affected by MND, staff, volunteers and partners. We share a common vision and direction. We value diversity. We support each other. We are collaborative and work in partnership with external organisations and with professionals, scientists and others to further our impact.

We make every day count.

Time is precious. We make the most of it to help people with MND. We are proactive, responsive and efficient. We listen to what people need and support them in doing what's important. We deliver at pace, but take the time needed to do things thoroughly. Every day we create impact for people with MND.

We think big.

We are the UK's leading MND charity. People look to us for expertise and inspiration. We support new approaches, new treatments and new understanding. We are bold and ambitious – we think big and make ideas happen. We go beyond what's expected to find new and better ways of doing things. We help set standards, influence care and drive change to shape a better future for people with MND.

We are determined.

People affected by MND are at the heart of all we do. We work with determination and a drive to make a difference. We have compassion and treat people with dignity and kindness. Every interaction is a chance to show that people affected by MND are heard and valued.

Job description

Job title: Corporate Development Executive (Sponsorship)

Salary: £38,100 per annum

Location: Northampton

Contract: Permanent

Hours: 37 hours per week

Reports to: Corporate Development Manager

Job purpose

The Corporate Development Executive (Sponsorship) will be responsible for securing and managing corporate sponsorship and delivering high-quality, on-the-day fundraising activity across Association-wide events.

A key focus of the role is leading the sponsorship strategy for the Association's world-renowned International Symposium on ALS/MND, working closely with pharmaceutical companies and other corporate partners to generate significant sponsorship income. The role will ensure excellent sponsor stewardship and the delivery of compliant partnership activity throughout.

The postholder will develop compelling sponsorship propositions, maximise fundraising income across events, and deliver outstanding supporter and sponsor experiences. Through this, they will build and nurture long-term, strategic partnerships that contribute to sustainable income growth.

Main responsibilities

Corporate Sponsorship & Partnerships

- Responsible for securing significant gifts from national and international corporates (including pharmaceutical companies), which financially sustain the Associations events (including the International Symposium on ALS/MND).
- Identify, research, and secure corporate sponsors for cross-organisation events.
- Develop tailored sponsorship packages aligned to corporate objectives, CSR priorities, and brand values.
- Support the negotiation and delivery of sponsorship agreements to achieve agreed income targets.
- Identify opportunities to grow event sponsors into longer-term corporate partnerships.

Fundraising at Events

- Plan, coordinate, and deliver fundraising activity at events, including but not limited to:
 - On-the-day corporate fundraising initiatives
 - Pledges, appeals, raffles, auctions, or challenge-based fundraising
 - Work with Events and Community Fundraising teams to maximise fundraising income and supporter engagement.
 - Support volunteers, staff, and corporate partners to fundraise effectively at events.
 - Ensure fundraising activity is compliant with organisational policies and relevant regulations.

Cross-Organisation Event Collaboration

- Work closely internal teams to identify and develop sponsorship and fundraising opportunities.
- Act as the main corporate fundraising contact for assigned events, ensuring seamless coordination from planning to delivery.
- Ensure sponsor visibility and fundraising messaging are aligned and delivered consistently across events.
- Working in collaboration with High Value Partnership Teams and Conference/Events Team to identify and create effective events, which support with building partnerships and engagement.

Main responsibilities

Relationship Management & Stewardship

- Build and maintain strong relationships with corporate partners, event participants, and key supporters.

- Deliver excellent stewardship, including pre-event briefings, on-the-day support, and post-event follow-up.

- Provide impact reporting and income summaries to sponsors and internal stakeholders.

- Proposals, Reporting & Administration

- Produce high-quality sponsorship proposals, pitches, and fundraising materials.

- Maintain accurate records on the CRM, including sponsorship income, event fundraising totals, and supporter engagement.

- Monitor income performance against targets and contribute to evaluation and learning for future events.

Essential criteria

- Experience of successful corporate income generation, sponsorship, or partnerships.
- Experience of working with corporates from the pharmaceutical industry.
- Strong understanding of the ABPI Code of Practice 2024, to ensure compliance and minimise associated risks.
- Experience of delivering or supporting fundraising activity at events.
- Excellent communication skills, including proposal and appeal writing.
- Strong organisational skills and attention to detail.
- A collaborative solutions-focused approach with a demonstrable income-generation mindset.
- Ability to engage professionally and credibly with corporate partners and senior stakeholders, representing the Association positively.
- Commitment to delivering excellent supporter and sponsor experiences, with an understanding of stewardship and relationship management.
- Ability to work flexibly, including occasional evenings and weekends, with travel anticipated as part of this role.

Desirable criteria

- Experience and understanding of working with highly scientific research; utilising this to engage pharmaceutical companies (and others) in strategic charitable partnerships – for the benefit of our community.
- Understanding of planning/delivering cross-organisation or large-scale events.
- Understanding of corporate CSR, ESG, or brand-led partnerships.
- Experience working in the charity or not-for-profit sector.
- Experience using CRM systems to track income and relationships.

Animals in research

We understand that not everyone agrees with the use of animals in research. So, it's important to make you aware that some of the research that we fund involves animals.

MND is complex and, at the moment, animal models are still one of the most powerful tools used to help us understand, prevent and one day cure MND. Much of the progress made to date would not have been possible without them.
